Dear Pooja Tipale,

We are pleased to offer you a position of Intern in our esteemed organization starting from 10th October 2020 for a duration of 6 Months under the company's Corporate-Academic policies. During this period, you will be trained under and associated with the Development team of the company.

As an Intern you agree to

1. Maintain the Company's code of conduct.
2. Attend all online training sessions on time without fail.
3. Complete all Tasks assigned to you on time in proper standards as laid down by the Company.
4. Maintain the integrity and security of any information, data or material that you may get in contact with during your internship period.
5. Not being associated with any other company by either means of profit or non-profit terms.
6. The company rights of terminating you without any prior notice if you are found guilty violating any of the points mentioned above and/or anything else that may affect the company's environment in an adverse way.

As an Intern you will not be liable to any of the other facilities that the permanent employees of the Company may enjoy. We are happy to see you on-board and hope you will turn out to be a useful resource for the company during your tenure with us. We wish you luck in your journey with WebSatva Technologies!!

Dear Ms Pratiksha

We are pleased to offer you employment at **Techbae** as per the following terms:-

Your employment will commence from – **5th April 2021**.

Compensation

You will be paid a consolidated salary of **Rs.10000** (fixed) per month of the actual attendance and performance of assignment during your job period.

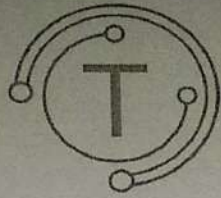

Coterminous

Your employment is effective from – **5th April 2021** or any date, which is mutually agreed. After you have been confirmed in the services of the Company, either party may terminate this appointment by giving one month notice in writing or payment of salary in lieu thereof. Neither party is required to provide any reason or justification to the other for terminating the appointment. Similarly company required one Month notice from you to leave the job.

Location: - Work From Home

Position: - You are appointed as **Website Developer**

WORKING HOURS:-Monday to Saturday from 9:00 am to 7:00 pm. Including 1 hr. Break time.

TECHBAE

LEAVE POLICY:-

- You will be entitled to take one day leave (with the permission of employer) in a Month and 12 days in a calendar year (January to December).
- The leave period shall be inclusive of all weekly off or festival holidays which may occur during the period of leave.

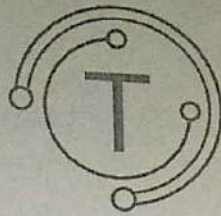

TERMINATION & SUSPENSION:-At the time of termination of the employment either due to termination by either you or the company or upon the lapse of the term of employment, if there are any dues owing from you to the company on account of your consultancy amount including any other payment owned to you under the term of your employment.

During the tenure of your employment, any deviation or misconduct in any form that were noticed by the company or if there are any breach of internal policies or any regulation that are mutually agreed to be complied with, has the rights and authority to suspend your services until you are notified to the resume to working in writing. **Techbae** reserves all such right to withheld full or a portion of your Consultancy Amount during such suspension period.

INDEMNITY:- The position held by you is of a strictly confidential nature. All information and data, regardless of form, generated in the performance of your duties or provided to you by Techbae shall be and remain the sole property of Techbae. In this position you are likely to be exposed to the following kinds of information which is proprietary to Techbae: product information, customer information, pricing information, manufacturing and technology related information, information pertaining to terms of trade, marketing / manufacturing product development / business plans of the Company etc. If during the period of your engagement or after your engagement with Techbae you have access to such or any other information, technical or otherwise, including any website code and computer software, which is confidential or proprietary to Techbae, its customers, sub-contractors or any other individuals or companies having any kind of association or relationship with the Company, and/or its affiliates or subsidiaries, you will not, except as required by your duties, use or disclose or authorize anyone else to use or disclose, any of such information, either during your engagement or thereafter for so long as such

Information is not publicly or generally known. Anything possessed by you, who discloses or embodies such information, will be delivered to Techbae prior to your leaving Techbae engagement.

BACKGROUND VERIFICATION:-The company reserves the right to have you back ground verified directly or through an outside agency. If on such verification it is found that you have Furnished wrong information or concealed any material information your service are liable to be terminated.

TECHBAE

RULES AND REGULATION:- You shall be bound by Rules and regulations framed by the company from time to time in relation to conduct, discipline and other service conditions which will be deemed as Rules, Regulation and order and shall form part and parcel of this letter of appointment.

DEEMED CANCELLATION OF APPOINTMENT:- The appointment stands cancelled and revoked if you do not report to duty within 3 days from the date of joining & your act will be construed as deemed and implied rejection of the offer of employment from your side; hence no obligation would arise on the part of the company in lieu of such Employment appointment issued.

You shall report to work on **5th April 2021** from your place (WFH).

Here's wishing you the very best in you assignment with us and as a token of you understanding and accepting of the standard terms of employment, you are requested to sign the duplicate copy of this letter and return to us within a day.

Yours Sincerely,

Pooja Verma

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Sagar Hiralal Jagnani, Savitiribai phule, Pune University has successfully completed the internship with our organization from 20th October 2020 - 24th March 2021.

During his tenure he worked & visited all the departments to get a comprehensive understanding of the whole organization. His role was to perform various tasks, including preparing and monitoring documents, working closely with the site engineer to resolve issues and review complaints, and preparing plans and maps. To visit construction sites to do the planning, quality control, documentation, and site execution work under an experienced site engineer / supervisor. He has an excellent grip on his design skills. He is a quick learner and understands the requirements of the project. He is hard working and submits his work well within the stipulated timeline. He brings on board fresh ideas and is very interactive.

His conduct during the internship was good & performance has been noteworthy, he developed an in depth understanding of assignment allotted to him. We value his contribution and wish him luck in all future endeavours.

We wish him all the best for his future endeavours.
