Sponsorship Letter

Date : March 13 2024

Dear Kiran Awatade

I am writing on behalf of Harshad Associates to formally offer our sponsorship of **36,000/-** to support the E-Challan For Smart City Project. We are deeply impressed by the vision and potential impact of this project and are eager to contribute significantly to its success. Our commitment to Enhance Technology in day to day life aligns perfectly with the objectives of the E-Challan For Smart City Project. We believe that promoting technological aspects and reasearches on efficient traffic management are crucial for enhancing the safety and well-being of our communities. This sponsorship amount of **36,000/-** is a testament to our dedication to this initiative. We understand the importance of adequate funding for the successful development and implementation of the E-Challan For Smart City Project.

The funds from our sponsorship can be allocated as needed to further the project's goals, whether it's for technology infrastructure, public awareness campaigns, or other essential components. We are enthusiastic about the positive impact that the E-Challan For Smart City Project will have on our community and are excited to be a part of this significant endeavor. We believe that with our sponsorship and your team's dedication, this project will achieve remarkable success.

Please consider this letter as an official commitment of our sponsorship, and we are prepared to provide the funds promptly as per your requirements. If there are any specific procedures or documentation needed on our end, please let us know, and we will expedite the process.
