International Summer Internship Program (ISIP)-2024
By

Dr.S.S. Inamdar

Director CGC, India and
Vice President, Vishwaniketan

Time : 12pm

Venue : Seminar Hall (Engineering Building)

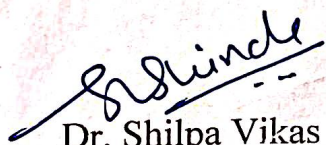

Date : 25/10/2023

This internship completely transforms the students, they get a clear competitive edge as doing an internship for 6 weeks in a foreign university is not very common.

Benefits:

- Certificate of completion and credit transfer
- Publishing of Technical Papers
- Letter of Recommendation
- Opportunity for Master's & Ph.D. programs
- Better placements and International placement opportunity
- Startup guidance & opportunities

All are instructed to attend Seminar to learn about **ISIP 2024**.

EXPERT LECTURE:

Report of Expert Lecture on "Exploring the Crucial Role of Employability Skills in Aligning with Employers Expectations for Recent Graduates"

Report of Expert Lecture on "Exploring the Crucial Role of Employability Skills in Aligning with Employers Expectations for Recent Graduates" by Mr. Sachin Jadhav, Manager-Business Development at Global Talent Track (GTT), Pune. The Department of Artificial Intelligence & Machine Learning has organized an expert lecture of Mr. Sachin Jadhav on 31st January 2024 in Seminar Hall at 12:30 PM. The lecture was mainly focused on understanding the importance of employability skills in meeting employers' expectations for recent graduates is crucial. Employability skills like communication, teamwork, problem-solving, adaptability, and leadership play a significant role in the job market. Recent graduates who excel in these areas are more likely to impress employers and secure employment opportunities. It's vital for graduates to recognize the skills valued in their industry, hone them, and demonstrate their proficiency to enhance their employability and excel in their careers.

Report on "Machine Learning" Workshop

To,
The Principal,
Reference,

Subject: Submission of Report on "Machine Learning" Workshop

Respected Sir,

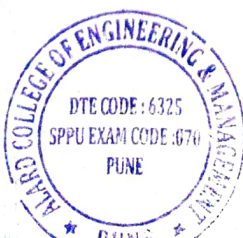

Regarding the above-mentioned subject, we have successfully organized a workshop on "Machine Learning". The more detailed report (Documents) is enclosed here.

No. of Students Attended:

Sr. No.	Date	Title	Important details of Events
1	13/10/2023	Workshop on Machine Learning Day 1	The computer department organized a workshop on "Machine Learning". The workshop began at 10:00 am in the Seminar Hall of Alard College of Engineering with felicitation of our guest Mr. Ajinkya Sahare. On the day1 of the workshop the speaker covered all the theoretical concepts of machine learning and also educated students about various applications of machine learning in industry. At the end of the day students had gained immense theoretical knowledge on Machine Learning
2	14/10/2023	Workshop on Machine Learning Day 2	On day 2 the trainer supported the theoretical concepts with practical knowledge. Students had a hands-on session on google colab. The Program ended with a lot of enthusiasm and lots of good feedback was collected from students. The event was a grand success

Thank You,

Coordinator

1	14/09/2023	Seminar on "Internship Awareness"	The computer department organized a seminar on "Internship Awareness". A seminar started at 11:00 am in the Classroom of the Computer Department of Alard College of Engineering. Our HOD, Prof. Sayli Haldavaneekar introduced our Guest Mr. Swami Panjala, founder and director of Elite Softwares. He guided students about the importance of internship, the various areas available for doing internships like data science, web development, artificial intelligence, machine learning and a few more. He elaborated on the field of Web development for internship and its future scope. The Program ended with students gaining a lot of knowledge about internship and lots of good feedback was collected from students. The seminar was a grand success.

Thank You,

BLOOD DONATION CAMP – REPORT

A Blood Donation Camp was organized by NSS Unit, In Alard College of Engineering and Management ,at junior college campus.The camp began at 9:00 A.M with a short inaugural function by Chief Guest of theBlood Donation Camp, honourable Principal **Mr.Tripathi sir**, and Principal Dr. R.J. patil ,Dr. Soniya Mam expressed his gratitude to the NSS unit ofthe College for its continuous endeavor in this regard.

Principal Dr. Tripathi sir encouraged all the donors by saying "Gift of Blood is Gift of Life". He thanked all the donors for the Noble steps they have taken and to help the fellow brethren. SVEI stressed on the growing need of blood in the state and commended the young volunteers for their noble act. Prof.S.Shrivastava, NSS Program Officer addressed the gathering, Blood cannot be manufactured - it only comes from generous donors to save the society and mankind, we should come forward for this Noble cause. It is a way of Alard College of Engineering gesture in bringing a ray of hope to alleviate the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units.

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty member come forward voluntarily to donate blood. While addressing first time donors at the camp our

NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

Report on Tree Plantation Event

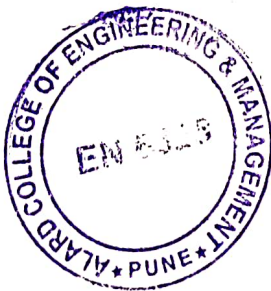

(Academic Year 2023-24)

Date: 31/07/2024

With above reference we have successfully organized **Tree Plantation event** in Alard College of Engineering & Management Marunji on 31st of July, 2024.

“Tree Plantation” is an event which every human being must involved in as it is need for today. The students and teaching-non teaching staff of ACEM have actively participated in the programme. We had planted various types of plants some of them being Mango, Nilgiri, Neem.

Our Hon. Chairman Sir & Director also explained about the trees and the importance of tree plantation. Even our help staff also taught us how to plant them and then they watered the plants. The helpers told us different thing about the plant, their uses etc. At the end of programme there was a photo session with teachers and students. The Event was filled with excitement, joy, enthusiasm, laughter and happiness.
