Entrepreneurship Development Cell

The mission of the EDC is to "develop institutional mechanism to create entrepreneurial culture in academic institutions to foster growth of innovation and entrepreneurship amongst the faculty and students".

ENTREPRENEURSHIP DEVELOPMENT CELL (EDC) of this college was established on its own initiative in the year 2017-2018 with the Principal Dr.D.K Tripathi as its Director and has been actively conducting programs in entrepreneurship with concerted initiatives to promote entrepreneurship among the students. The function was presided over by Dr B.M. Shinde Principal, Alard college of Engineering and Management, Marunji, Pune.

The objective of promoting entrepreneurship among the youth is to nurture a passion for self-employment. This will open gates for creation of new knowledge-based innovative hi-tech ventures, industries and new breed of technopreneurs and more avenues of employment opportunities thus turning job seekers into job creators and in the process, leading the nation towards industrial excellence and self-reliance. The Entrepreneurship Development Cell of this college aims towards achieving the above.

OBJECTIVES OF EDC

The objective of this cell is to develop spirit of Entrepreneurship among the students. Activities of this cell include Creating Awareness Programs, Mentoring Students and Assisting in getting financial support for Startups.

- To foster better linkages between the Parent Institution, Industries and R&D institutions in the region and other related organizations engaged in promoting Small & Medium Enterprises (SMEs) including NGOs and other Voluntary Organizations.
- To catalyze and promote development of S&T based Enterprises and promote employment opportunities.
- To respond effectively to the emerging challenges and opportunities both at national and international level relating to SMEs and Micro Enterprises.
- To create awareness on entrepreneurship among the students.
- To inculcate entrepreneurial spirit and culture among the Science and Engineering graduates and post graduates.
- To conduct programs in Entrepreneurship enabling skills.
- To conduct skill industrial development training programs with updated technologies.
- To provide need-based consultancy services to industries.
- To act as an institutional mechanism for providing various services including information to budding student entrepreneurs.

Functions of EDC

- To organize Entrepreneurship Awareness Camps, Entrepreneurship Development Programs and Faculty Development Programs in the region for the benefit of S&T persons.
