Population Control

The 'Mission Parivar Vikas' was launched in 2016 for increasing the access to contraceptives and family planning services in the identified 146 high fertility districts in seven states, which had a Total Fertility Rate (TFR) more than 3. The human population has more than doubled over the past 50 years, from 3.84 billion in 1972 to 8 billion in 2022, and is expected to reach 10 billion by 2050. Methods to control the human population include increased access to contraception, family planning, wealth redistribution, and one-child policies. Principal Dr. K. D. Sapate (Principal, ACEM), Dr. Shilpa Shinde and Prof. Disha Nagpure (HOD AIML Dept.) with faculties and students are participated and guided students about awareness. Students make group and visited nearby area for awareness of program.

Har Ghar Tiranga

'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The guest of honor was Dr. K.D. Sapate (Principal, ACEM), Dr. Shrivastav, Prof. Disha Nagpure (HOD AIML Dept.) with faculties and students. Our principal Dr. K.D. Sapate shares their knowledge with students. Students make group and visited nearby area for awareness of program.

Significance of the Program:

UNESCO states, "International Women's Day is an occasion to celebrate the progress made towards achieving gender equality and women's empowerment but also to critically reflect on those accomplishments and strive for a greater momentum towards gender equality worldwide. It is a day to recognize the extraordinary acts of women and to stand together, as a united force, to advance gender equality around the world."

REPORT ON WOMEN'S DAY CELEBRATION

The United Nation's theme for International Women's Day-2024 is "Gender equality today for a sustainable tomorrow" in recognition and celebration of the women and girls who are leading the charge on climate change adaptation and response and to honour their leadership and contribution towards a sustainable future.

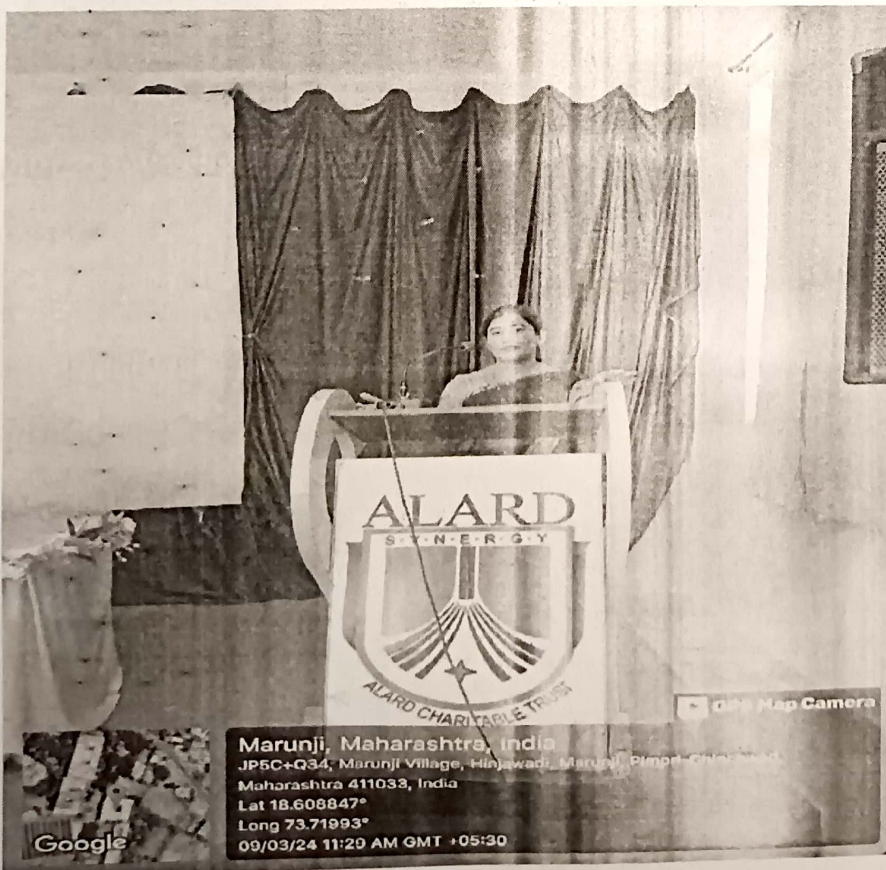

International Women's Day was celebrated at Alard college of Engineering Marunji on 9th March, 2024. The purpose of celebrating Women's Day was sensitization about "Gender equality and women's empowerment". At the outset of program Principal, Dr. Soniya Singh gave a short speech on Women's Day. First speaker by Our HR Dr. Ananya Singh gave expert talk on Entrepreneurship. She talked about Women Entrepreneurship which is necessary to initiate the process of economic development of both developed and developing countries as it is the back bone of economy of any country. Women entrepreneur has been recognized during the last few years as an important untapped source of economic growth. She talked about workplace communication, how to exchange information and ideas, both verbally and non-verbally between one person or group to another person or group within an organization. House Keeping Staff and a female help from Canteen were felicitated at the end of the evening session.
