## Introduction-

Chhatrapati Shivaji Maharaj who we all know as the founder of the hindavi swaraj , has been continuous source of inspiration to all the thousands of not only Maharashtra people but also to those who are foreign. Chhatrapati shivray had sculpted an entire Kingdom which was free from Mughals regime. Which was huge challenge as the whole of indian was ruled by Mughals and other similar foreign invasion. His courage , valor and gallantry is second to none and has kept on inspiring people over the years. His guerilla tactics and administrative methods have been adopted in the syllabus of some countries .and are taught to history and military students. We know maharaj only as a king , but he was more than that. He was king , visionary , a great administrator , economist and a compassionate but a fierce patriot who for his sheer love for country ,arose a great rebellion after long history of 800 years of tyranny and cruelty.
