Significance of the Program:

UNESCO states, "International Women's Day is an occasion to celebrate the progress made towards achieving gender equality and women's empowerment but also to critically reflect on those accomplishments and strive for a greater momentum towards gender equality worldwide. It is a day to recognize the extraordinary acts of women and to stand together, as a united force, to advance gender equality around the world."

REPORT ON WOMEN'S DAY CELEBRATION

The United Nation's theme for International Women's Day-2024 is "Gender equality today for a sustainable tomorrow" in recognition and celebration of the women and girls who are leading the charge on climate change adaptation and response and to honour their leadership and contribution towards a sustainable future.

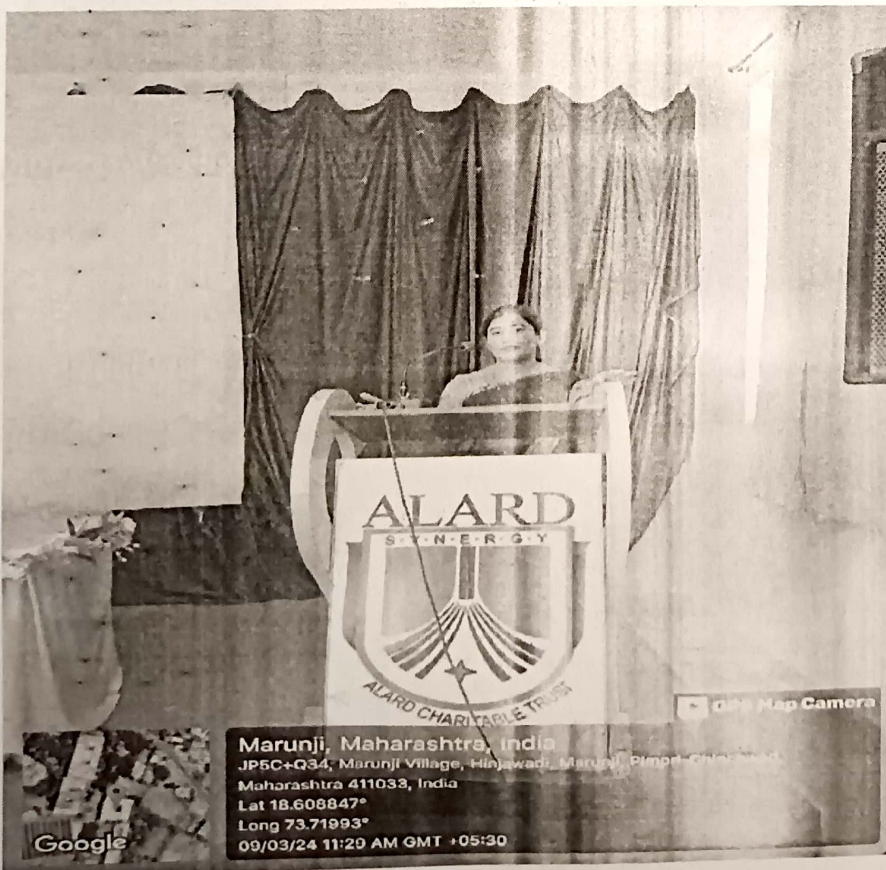

International Women's Day was celebrated at Alard college of Engineering Marunji on 9th March, 2024. The purpose of celebrating Women's Day was sensitization about "Gender equality and women's empowerment". At the outset of program Principal, Dr. Soniya Singh gave a short speech on Women's Day. First speaker by Our HR Dr. Ananya Singh gave expert talk on Entrepreneurship. She talked about Women Entrepreneurship which is necessary to initiate the process of economic development of both developed and developing countries as it is the back bone of economy of any country. Women entrepreneur has been recognized during the last few years as an important untapped source of economic growth. She talked about workplace communication, how to exchange information and ideas, both verbally and non-verbally between one person or group to another person or group within an organization. House Keeping Staff and a female help from Canteen were felicitated at the end of the evening session.

BLOOD DONATION CAMP – REPORT

A Blood Donation Camp was organized by NSS Unit, In Alard College of Engineering and Management ,at junior college campus.The camp began at 9:00 A.M with a short inaugural function by Chief Guest of theBlood Donation Camp, honourable Principal **Mr.Tripathi sir**, and Principal Dr. R.J. patil ,Dr. Soniya Mam expressed his gratitude to the NSS unit ofthe College for its continuous endeavor in this regard.

Principal Dr. Tripathi sir encouraged all the donors by saying "Gift of Blood is Gift of Life". He thanked all the donors for the Noble steps they have taken and to help the fellow brethren. SVEI stressed on the growing need of blood in the state and commended the young volunteers for their noble act. Prof.S.Shrivastava, NSS Program Officer addressed the gathering, Blood cannot be manufactured - it only comes from generous donors to save the society and mankind, we should come forward for this Noble cause. It is a way of Alard College of Engineering gesture in bringing a ray of hope to alleviate the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units.

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty member come forward voluntarily to donate blood. While addressing first time donors at the camp our

NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.
